Bachelor of Science Degree in Security Administration and Management

The Bachelor of Science Degree in Security Administration and Management is offered by the Caribbean Maritime Institute in Association with Security Administrators Limited (SAL) on a fulltime and part-time basis. The programme prepares candidates to gain entry and middle level employment and to advance their career in land based sea and air port security units.
OBJECTIVES
To develop individual candidates with the knowledge, skills and attitudes necessary to meet the needs of all stakeholders within the various industries.

ENTRY REQUIREMENTS
At least five (5) CXC/GCE subjects (inclusive of English Language) or any other equivalency recognized by the University Council of Jamaica. Candidates in this category are required to complete the course in four (4) years or eight (8) semesters on full-time OR four calendar years of (12) semesters on part-time.

MATURE ENTRY
Mature candidates must be at least 25 years of age and must have at least five (5) years of work experience at a supervisory level in security administration or equivalent qualification. Candidates with mature entry qualification are required to complete the course in four (4) years of eight (8) semesters on full time OR four (4) calendar years of (12) semesters on part time.
